

Wisconsin Defends The Rudder!

This is the headline that was splattered across web pages last year. If you don't want to see it again, come join in the fun & try to take the rudder home with you. WI leads MN 6 to 4!

We are calling out all catamaran sailors in the area to race with us at Shell Lake, WI in the 11th annual Broken Rudder Regatta July 26 - July 27, 2008! CRAW would like to see 40+ cats from WI, MN, MI, IL, & IA!

The way it works: This is a team/state event. The rudder goes home with the team with the best handicapped record. The more boats you bring the better your chances. In addition there are trophy's awarded for the top individual sailors. Put this date on your calendar!

Broken Rudder Regatta July 26 - July 27, 2008!

A little about CRAW: www.crawsailing.org

We're everything from tooth drillers to ditch diggers, Johnny Cash to kanYeWest, kids in kindergarten to kids in college, plus everything in between. And on many warm weather weekends from early spring to late fall, we come together forming a magical amalgamation around a common passion. We're the **Catamaran Racing Association of Wisconsin**. Come join us!
